

Edward Buch Enrolls at Purdue

Edward A. Buch, 21422 Grant, Torrance, Calif., is among the 2,730 enrolling at Purdue University for the 1959-60 fall semester under the advance enrollment program for new students, according to the list announced by the Office of Admissions. This program, which extended from June 16 through July 10, was for students entering the university for the first time in September as freshmen or transfer students.

The registration of these students now will be completed in the Office of the Registrar, fees may be paid by mail and they will not need to report back to the campus until Sept. 20, when the orientation program opens for all new students. This orientation program will extend through Sept. 23.

New students accepted for admission this fall who did not participate in the advance enrollment program must report Sept. 16. They will complete registration in the period of Sept. 16 to 19 and then join the other new students in the orientation program.

Classes for all students officially will open on Sept. 24.
